

Florida DeMolay is currently in the process of cataloging all DeMolay paraphernalia in the jurisdiction with the intent of filling the needs of the existing DeMolay Chapters and is requesting your assistance.

If your Lodge is currently in possession of DeMolay paraphernalia and does NOT have an active DeMolay Chapter, please fill out the attached form and return to Florida DeMolay.

It is not our intent to remove this paraphernalia from your Lodge unless another Chapter needs it. However, arrangements can be made if you would like it removed to free up space.

If you are interested in starting a DeMolay Chapter and would like more information about DeMolay and what is required, please do not hesitate to contact me.
