<u>Stateroom Category</u>	<u>Price*</u>
Mini Suite (Cat. MC)	\$2374
Balcony (Cat. BD)	1899
Inside (Cat. IB)	1289
Other stateroom categories available. Please call for prices.	

*Prices as of July 13, 2015 are per person, double occupancy, and do not include taxes and government fees in the amount of \$125 per person. Note there are no oceanview staterooms on the Royal Princess. Although government fees can change, the cruise fare cannot increase once a deposit is made. Now is the time to lock in these launch prices. However, we monitor prices, and if we see that the price is reduced, we will request that reduction for our group, provided there are still staterooms available at that reduced rate.

Further advantages of booking early include choice of staterooms (the best ones go early), and dining options (early dining usually fills up first).

** Call us to see if you are eligible for discounts or on board credits, such as Captain's Circle, active or retired military, state of residence, CCL stockholder benefits, etc.
